Subject: Transferring Controlled Substances

Walgreens Family of Companies

All DLPMs – As referred to in previous emails, the below message was sent to all Pharmacy Managers via Compass yesterday.

Pharmacy Managers,

Effective Wednesday, April 10th, controlled substances will be blocked from interstore claims. Any controlled substances that are placed on an interstore claim will reject with the following reject error message: ***"Cannot Transfer C2-5 Items."***

- The claim will not post if any controlled substances are listed.
- If additional inventory for controlled substances is needed, stores should contact their Pharmacy Supervisor to complete the Controlled Substance Quantity Override Form

Be Well,
Ed
